ENDORSEMENT ARRANGEMENTS:

If this exact drum kit, cymbal or electronics configuration is unavailable in the Pearl, Paiste or Roland brand, other acceptable drum brands include DW, Yamaha or Tama for drums but all logos must be taped over. Other acceptable cymbal brands include Zildjian or Meinl for cymbals, but only in professional lines. If promoter is having difficulty with specific gear requirements, please contact DRMAGDN as soon as possible. Comped Gear may be available for gig arranged through endorsement companies provided there is a 1 month lead time prior to show dates. But shipping to and from rental facility for endorsement gear may incur additional fees. Additional fees may also apply if DRMAGDN must provide own gear when traveling due to lack of rental availability.
